

EDGE LINEAR S1500

Designed by Nital Patel

DESCRIPTION

A razor's silhouette suspended in perfect tension. Designed by Nital Patel, EDGE LINEAR Collection is architecture you hang from the ceiling — its sharp profile casting bold light downward, while its slimmer edge breathes a gentle glow upward. Direct and indirect, in one decisive form. Switch Tune technology offers 2700K or 3000K at installation. Cables drape freely, installation bends to your will. A pendant that doesn't just illuminate space. It defines it.
