

COMPACT UP/DOWN W2

Designed by Ronni Gol

DESCRIPTION

Beauty has no hierarchy. COMPACT elevates the everyday — a wall lamp of spare, geometric conviction, casting light both upward and downward in a soft, diffuse embrace. Its slightly roughened lacquer finish catches the eye without demanding it, while weatherproof aluminium construction moves freely between interior and exterior without concession. Timeless in its square simplicity, available in two sizes and three considered finishes: white, black, and titanium. Where function and quiet elegance meet, COMPACT endures.
