

EDGE Collection

A cutting-edge collection of pendants with edge and character. Sculptural and sophisticated. The built-in Smart Tune function lets you control and manage the light using either an app on your smartphone or the touchless sensor. This makes it easy to switch your light on or off, adjust the brightness, and change the colour temperature.

EDGE ROUND

User Instructions

LIGHT-POINT Smart Tune

powered by Casambi

For details on how to connect the lamp to your smartphone or tablet, please visit:

Caution

In case of any doubt, please contact a qualified electrician.

General use

- The product is designed for indoor use only.
- Its surface can become hot during extended operation, therefore do not cover the product.

Cleaning instructions

- Before cleaning, ensure that the power supply is switched off.
- Wipe surface of lamp shade with a soft cloth.
- Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes.
- Never use strong cleaning agents such as white spirit, household glass cleaner or cellulose thinners.

Safety precautions

- The appliance should be installed, connected and tested by qualified electrician and in accordance with local regulations.
- Turn off the power supply before installation or maintenance of the lamp, and make sure that the cables are not squeezed or damaged by sharp edges during installation.
- The lamp should not be covered by insulation blankets or similar materials.

International warranty

Your product has been thoroughly tested to meet high quality standards and is covered by a 7-year warranty from the date of the original retail purchase. The warranty applies to defects in materials and workmanship when the product is used as intended and in line with published LIGHT-POINT guidelines.

These guidelines include but are not limited to information contained in technical specifications, safety instructions and quick start guides. LIGHT-POINT is not responsible for damage arising from failure to follow instructions relating to the use of the product.
